In an age of myriad computer fonts and instant communication, your handwriting style is increasingly a very personal creation. In this book, Margaret Shepherd, America's premier calligrapher, shows you that calligraphy is not simply a craft you can learn, but an elegant art form that you can make your own. Calligraphy remains perennially popular, often adorning wedding invitations, diplomas, and commercial signs. Whether it is Roman, Gothic, Celtic, Bookhand, or Italic style, calligraphy conveys class and elegance. Margaret Shepherd makes this ancient art form accessible in a completely hand-lettered technical guide that will: \* Provide context for calligraphy as an art, exploring the rich tradition of hand-lettering and mapping the evolution of the most popular styles. \* Give detailed technical advice on choosing pens, paper, and inks, setting up your workspace, mastering various pen angles, along with step-by-step illustrations to guide you as you practice. \* Explain which alphabets are appropriate for different forms of writing. For example, the Roman alphabet works well for short, unpunctuated passages, while the Italic alphabet is more suited to informal everyday communication. \* Encourage you to personalize your lettering by using variant strokes and interpreting how you would like the words to look on the page. \* Inspire you with carefully chosen illustrations and examples, which bring letters to life. In Margaret Shepherd's own words, "Calligraphy trains not only your eye and hand, but your mind as well." Learn Calligraphy is the authoritative primer for this age-old craft, and will help develop a new appreciation for lettering as you discover your creative personality.

From the acclaimed author and artist who created *The Song of Songs: The Honeybee in the Garden*, this breathtakingly beautiful book fuses the artist Debra Band's stunning illuminated interpretation of selected psalms with the scholar Arnold Band's insightful analysis of the text. In shimmering gold and brilliant color this book invites contemporary readers to experience the intense emotion embodied within the ancient verses. It features 36 of the most well-known and moving psalms, including songs of personal and communal joy, prayers for healing and redemption in times of desperation, expressions of love and longing for Jerusalem, and prayers of comfort traditionally included in mourning rites. Band ingeniously interprets each psalm through two illuminations on facing pages: one that brings to life the Hebrew text; the other that illustrates the JPS English translation. Each pair of full-page illuminations is followed by an analysis of the psalm by Arnold Band and an explanation of the symbolism of the artwork by Debra Band. This beautifully bound book can be used for prayer and study, as well as aesthetic enjoyment, and, it makes an unforgettable gift for weddings, anniversaries, and other special occasions. ### **The Bay Psalm Book**

In this simple, easy-to-use prayer journal, Sarah explains how to teach your children an effective method to pray the Psalms. Your children will learn how to read a Psalm, identify the attributes of God, and then pray those attributes back to God through praise, thanks, and requests. After personally praying the Psalms using this method, Sarah taught her son to pray this way too. She and her family members were amazed at the change it brought to her son's prayers. He was able to easily recall the attributes of God that he learned through praying the Psalms. After each journal page, a blank creative page is provided for your children to express themselves through illustration, lettering, or another artistic activity. This book is designed for children ages 6-10 years old with adult assistance. Younger children will certainly enjoy this book also with additional guidance, and older children will more quickly understand the prayer concepts presented in this book. This book is a valuable resource to help your children deeply connect with God through praying His Word. Sarah Keeling is a wife and mom who loves Jesus and is passionate about helping others connect deeply with Him. She is the founder of Heart Work Tees, a ministry that raises funds for Bible translation. She is an advocate for the Bibleless, and she loves encouraging others by sharing what God is doing in her life. You can find her at [www.sarah-keeling.com](http://www.sarah-keeling.com).
