Peace of the Mind

Peace of (Mind) Moments

Today more people than ever are suffering from emotional distress. Whether they are dealing with depression, anxiety, obsessiveness, fear, worry, or stress, their lives are limited and compromised by the ill-effects. People who suffer from emotional distress often feel isolated and unloved, either by God or by others, and often believe that there is no hope and no way out. There is good news, however! A truly biblical approach to healing emotional distress focuses on a holistic cure that integrates the mind, body, and spirit. Even when we feel truly alone, God is holding us in His hand. Even when we feel truly hopeless, God offers comfort and purpose. And even when we feel like we will never escape the pit of emotional distress, God sets our feet on firm ground and promises to never let us go. No matter what we have been through or what we are going through now, God can bring critically needed healing and transformation into our lives when we adjust what the authors refer to as “stinkin’ thinkin’.”

2 Corinthians 5:17 Old Things Have Passed Away

This book is a "grace bomb" serving to obliterate several extremely prevalent legalistic and destructive doctrines in the Body of Christ today. Jesus promised that if we knew the truth it would make us free. Sadly, many Christians are anything but free in their relationship with God and life as a whole. Very often, before we can construct correct beliefs we first must deconstruct some incorrect beliefs. This book will do just that! It will not only systematically tear down some of the walls of bondage built up in the minds of Christians all over the world but it will also reconstruct strongly fortified walls of truth! This book will relate to Christians of all backgrounds, spiritual levels, and walks of life! So buckle up! Jesus promised that the truth would make us free but He didn't say that it wouldn't be a bumpy ride!

associations. Using this technique, children of every age can memorize scripture and enjoy doing so at the same time. Remembering Psalms 119:11 (NIV), "I have hidden your word in my heart that I might not sin against you" You and your children will be blessed as you place these passages in your hearts and grow in your faith together.

Creating a Beautiful Life

Battlefield of the Mind

The word of love in the book is a spiritual weapon meant for our current generation and the message to the generations to come. The prophetic word is the intertwine of the real life situations, visions, dreams and prophesies which I experienced in my way of faith. The challenges which I encountered and how the Lord helped me to pull through in the name of our Lord Jesus Christ. Nonetheless the malady of hatred which has contaminated the world, it is only peace and love from the Lord which can heal the infectious ulcer which man has suffered. Dignity has been lost in accordance to Hosea 4:6 'my people are destroyed for lack of knowledge: because thou hast rejected

knowledge. I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children'. Further, that our Lord Jesus Christ came down with the seed of peace and love to unify the candidates of heaven through the provision of the Holy Scriptures. Let us unite and break the seed of hatred which Satan had planted in the hearts of men. 1 Corinthians 13:3 And now abideth faith, hope, love, these three; but the greatest of these is love. This book is dedicated to all my brothers and sisters in the Lord, especially those who are at the verge of losing hope of survival spiritually. It is therefore, here to impart in their hearts with Peace and Love from our God Almighty. The word in this book is aimed at reconciling the people on earth with love so as to cushion the conflicts among nations. It is in accordance to Isaiah 2:2-3 the message in the book has been written and it is therefore inviting all my brothers and sisters from across the world to experience the Holy Spirit with words of great faith in the Lord. The book is here to comfort the sick, the afflicted and those souls who are persecuted by the enemy. It also embraces all the races and does not stigmatize any person as it is based on the true love from our Lord and the message is inspired by the Holy Spirit with a view to unite the people across the globe. I therefore wish the Church, the United Nations, the governments and other charitable organizations to

enhance preaching peace among the people in the land for us to have a better world. It is in this line, that the Lord our God came down on earth to save humanity. More so, we should embrace peace and love to survive this world of troubles. The love of God is unconditional, thus, we should follow suit to have a godly love in our hearts or humanity will be wiped out on the face of the earth soonest. The beauty of welcoming peace and love from God is compared to the bond between the earth and the sun and the rain. There is no segregation in the house of the Lord but we are all equal in the face of our creator. Mother Nature has been very kind to us and it reprimands us whenever we err but our Lord Jesus Christ used to curse Nature. We have continued preaching about the importance of spreading the word of God and also His love which has made us to be who we are on earth. The love of God unifies the people and that it cuts through the rod of hatred which is in the hearts of the evil ones. We should therefore embrace the love of God for us to reach greater heights of love, where all religions, race and tribes shall stand tall in the same platform and pronounce to the higher heavens that we are one people. Women and children needs true love from our hearts. I dream of a beautiful world where we shall be protected by the love of God, because humanity on that day shall have total unite. It is common knowledge that Satan has infiltrated our governments, entertainment industry and a lot more

circles of life. Therefore, it is time man woke up from the deep slumber and fight for his life or else he will die naked with shame. However, we wrestled the devil for us to have peace and love so that we get saved but the battle has been tough. The Lord has been fighting battles for humanity because God is love. Amen!!

The Bible-work

So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I

want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly though car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism

icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists &

Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Peace of the Mind is D.J. Blue's follow-up to 2005's *The Good Life Chronicles*. Once again, he covers a wide array of topics, this time including several chapters on Christian spirituality. Included among them: an in-depth analysis of the Bible, covering questions answered as well as questions raised while reading the Bible; the debate between Catholics and Protestants on different spiritual issues is discussed; and Rick Warren's best-selling spiritual book *The Purpose*

Driven Life is also reviewed, including eerie parallels to topics brought up in The Good Life Chronicles. Readers of that preceding book will recognize other familiar topics: the annual Taconite Trophy Classic continues to be immortalized via the written word, as each year's golf tournament has been chronicled herein; the fourth installment chapter on women, always popular yet provocative with the female crowd, is included; and a complete Seinfeld episodic list (partially referenced in the previous book) is now given its just due--the entire classic series is reviewed, episode by episode. This is just a sample of the various topics and experiences covered. Peace of the Mind concludes the Thousand Page Trilogy with an over-all introspective and occasionally subtle spiritual theme running through many of the chapters, reflecting the accomplishments, the struggles and the aspirations of life itself.
